

# We recommend you upgrade your air cleaner today!

**Now, your air cleaner can remove even smaller particles with nearly two times greater efficiency.**

We can retrofit your existing Aprilaire or SpaceGard air cleaner to accommodate our new and improved filtering media.

It's an easy upgrade that will remove more dust mites. More pollen. More pet dander. Even particles you can't see, like smoke and viruses.

**The upgrade is so simple, we can do it today in a matter of minutes!**

*"Incredibly easy. My entire family suffers from allergies. I was very pleased (our air cleaner) was able to be upgraded."* - Russ K.

*"Why? Cleaner air for a longer time with no worries."* - Cormac S.

**Aprilaire tested, Homeowner accepted, Technician approved.**
